

PPE

ersonal rotection equipment

Serving your needs for the
new normal.

Since social distancing and masks are mostly mandatory in all indoor environments because of COVID-19, Artline is striving to make PPE products available to our clients that can be both artistic and in compliance with local and state regulations.

Products we offer moving forward are:

Acrylic Barriers with Stands
Face Masks
Face Shields
Sanitizing Stations
Social Distancing Signage
and much more.

We can easily customize to add logos, messaging as needed on most products.

Stay safe and healthy,

Artline Team
