ABOUT US

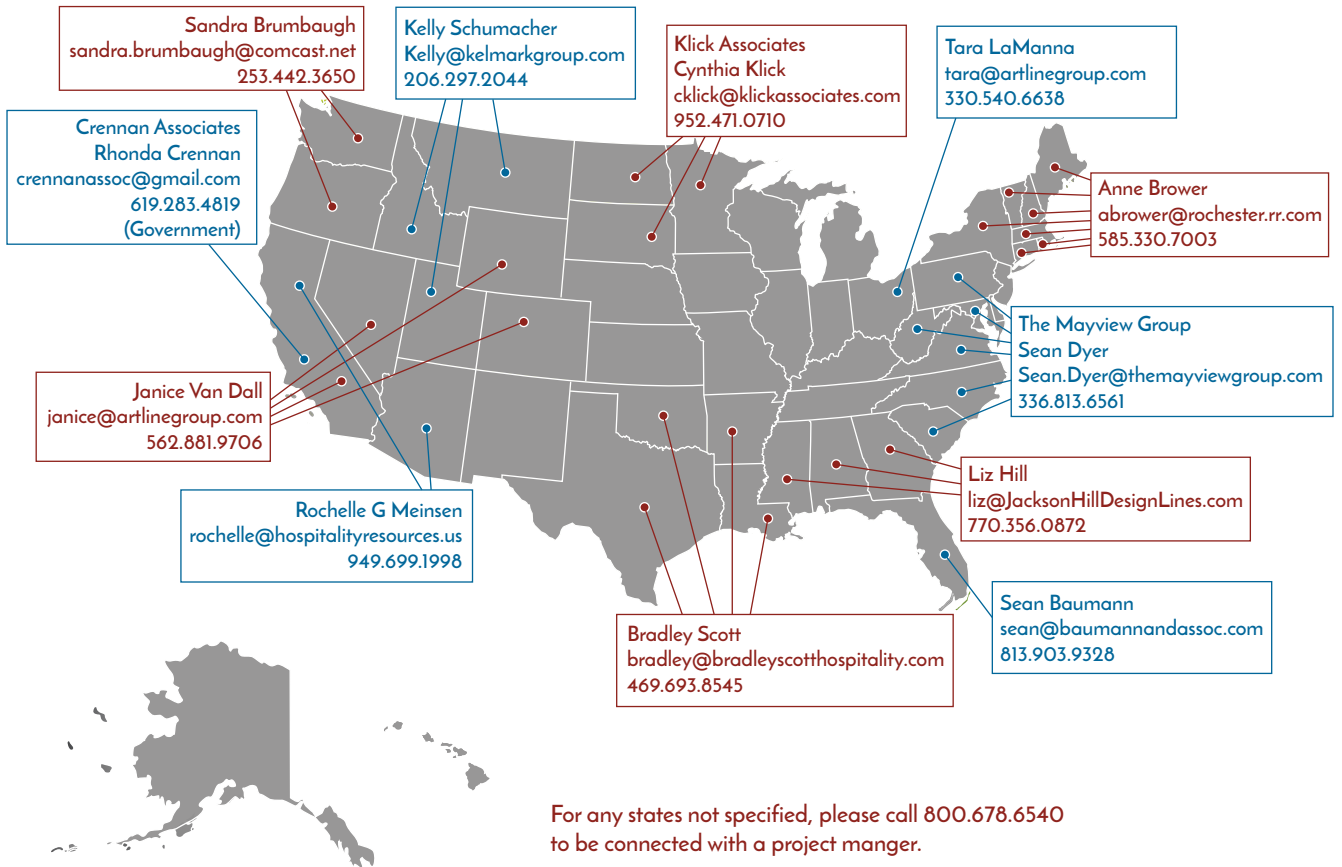

: WHO WHAT WHY WHERE

Established in 1978, we are known for our vast years of experience and providing unique solutions to the most complex requirements. Our production facilities geographically located throughout the country, can save on both lead time and cost. We are your turn-key provider of art and mirrors, from design to production to installation, we cover all aspects of fulfillment.

REPS : KEYS TO COMMUNICATION

We have a team of project managers in our Hicksville, NY office and Sales Representatives maintaining all of our client relations across the country. Please locate the rep nearest to you or call our office to be connected with a team member and we can get started on your project.

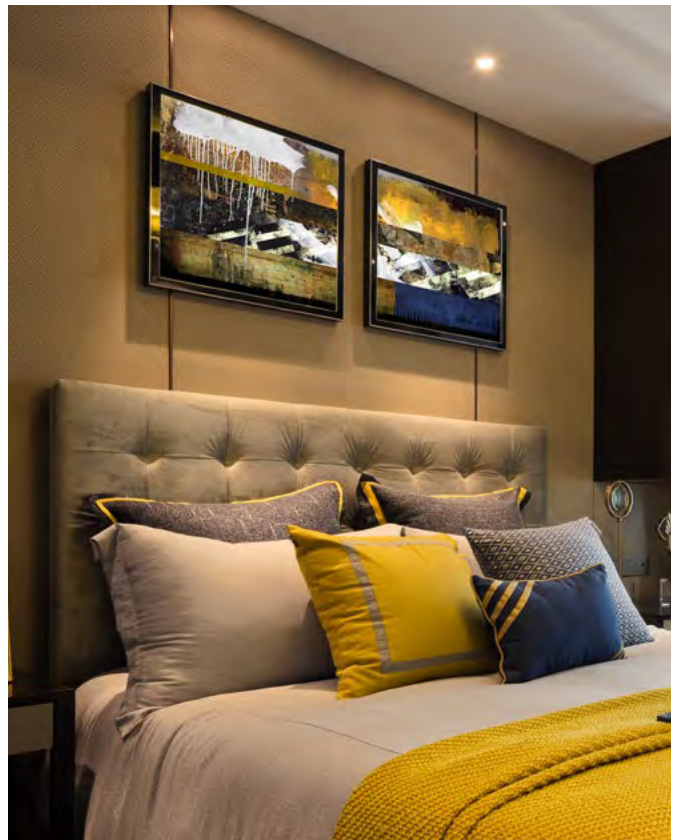

ARTWORK

: ENDLESS POSSIBILITIES

Our passion is art: From telling a story around your location to building your entire project, your options are endless. Our team is excited to work with you and make your vision into reality.

Our capabilities range from creating custom images to offering you with selections from our ever growing image library. Whether it's photography, original paintings, or sculptural elements, our team is glad to provide the WOW factor for your project.

ARTLINE STUDIO : MOVING ART FORWARD

Artline Group's newest initiative is moving our art to a new level. Our studio of designers are working on creative new lines of proprietary artwork to launch quarterly. From taking your regional needs beyond the typical local photography, we are building imagery that adds a creative layer of art and design to build a story about the local history and geography for your project.

Our custom creations can be printed on a variety of substrates where the possibilities are endless
